

## CEO's Message

**Dear All!**

On Behalf of Wyvil family I thank you for your interest in Wyvil and its operations. Our propensity towards quality makes us the pioneers in the IT industry. Quality products and service with effective output is our motto. Efficient and experienced employees with impassion towards their job is our core strength.

Wyvil is founded in 2000 with group industry experts. It has grown exponentially since then, as I ponder the remarkable success we have achieved, it is crystal clear that the most visible fact for success is passion for quality and efficiency. Wyvilites are passionate about accomplishing, along with our clients where our clients looking for help. We thrive on accepting difficult projects that others have failed to complete or even afraid to accept.

I congratulate everyone at Wyvil Family as we became SAP channel partner, reseller and implementer's for Business One. SAP Business One is an integrated, affordable business management application designed specifically for small and midsize businesses. It provides enterprises with a single system to automate critical operations, including sales, finance, purchasing, inventory, manufacturing and Customer Relation Management. Consummate certified Wyvilites are best in business for your SAP Business One implementation

Wyvil will continue to approach work quality with passion. We will continue to achieve client requirements/needs with exceptionally high customer satisfaction, and we will expand the horizon of products and service offerings within SAP and other IT sectors. We look forward to including you on our list of thoroughly satisfied clients.

Thanks,  
Nagaranjan Chevula  
CEO
